

Year 6 SATS

Next week, the Year 6 children will be sitting their important SATs tests. The children have worked very hard and on behalf of the whole school community, we wish them well. They will have tests in Reading, Mathematics, Mental Mathematics, Spelling and Grammar at Levels 3-5 and some children will sit Level 6 papers. There are no SAT tests in writing as writing is assessed by Teacher assessment only. They need to have a restful weekend and be raring to go next week! Just spend some time revising those few areas that you are unsure about.

The children will be coming to a special SATs Breakfast next week as well so that we can have a chance to settle any pre-test nerves and go over any areas that may still be unclear.

It is a very busy week for them and they will be tired at the end but we wish them all the very best!

Netball Success!!!

I would like to congratulate the Netball team for the way that they played this week against Robert Drake. The children worked hard as a team to secure a victory of 14—0. The team have listened hard to the advice given and learnt from the games that they have lost which is why they thoroughly deserve this win. The 'Person-of -the-Match' was Emily Smith. Well done Emily.

Football Match Vs Hadleigh Junior

The football team played their third game in the season yesterday and, sadly lost, 4-3. The team, however, played superbly and were unlucky not to win. We would like to say a special well done to Dylan (Yr6) who played with great enthusiasm and skill throughout, on his debut game.

Year 2 trip to the Library

Years 1 and 2 went on a rather exciting trip to the library a couple of weeks ago. 'Exciting?' I hear you cry. The part that got the children most excited was the journey there and back on the train. For some children, this was their first train trip. All of us had a lovely time seeing how the train station worked, having our own tickets and finding out about how the library worked. Southend library has a lovely children's section, with comfortable places to sit and enjoy a book together. It's well worth a trip.

Polite Notices

1. Can you remind your child to bring in their water bottle so that they can keep hydrated all day long please. We do have plastic disposable cups by the Water cooler for the children to use but only on the rare occasion that they have forgotten.
2. Can you, also, please remind your children about the importance of homework, completing it and then handing it in at the appropriate time. Thank you.
3. The Nursery will be having a bake sale after school on Thursday and Friday next week so bring your pennies to help support them. Thank you.

Weekly results

Class	Result	League points
Turner	90.52%	0
Picasso	88.50%	7
Matisse	95.45%	3
Monet	94.50%	0
Hockney	95.11%	6
