Volume 5

Issue 6

24th October 2014

Musical Fiesta! At Woodham Ley we are continually developing children's lifelong love of music. As part of the children's enriched music curriculum, they have been learning to perform, compose and improvise along with a famous musical artist/song. Throughout the week, our school corridors are filled with music from pop to reggae and I am sure that they have delighted you with their singing at home. On Thursday, all classes delighted the school with their performances using an accolade of instruments.

Celebration certificate– Thank you to Mrs and Mrs Keefe who have kindly donated new certificates for the children of WLPS. I am sure that the children who have already received a certificate will cherish these for years to come.

Non– Pupil Day– Just a reminder that the first day back for the children will be Tuesday 4th November. We look forward to seeing you back after a restful half-term.

Year 1 & 2 trip to the Museum of London

On Wednesday 22nd October, Years One and Two visited the Museum of London to learn about the Great Fire of London. They were all a credit to the school. We explored the museum and were treated to a mini tour of some of the famous sights of London on the journey home. All children took a real interest in the artefacts and objects on show at the museum. We look forward to next half term when

we can use these new experiences in our curriculum learning.

Read all about it, read all about it!

If you are looking for something to read over the holidays, the children of year 6 will be selling their newspapers after school today. The paper will be filled with interesting facts and articles all about this term's school events. If you miss out, then they will be sold after half-term.
