

## Dear Parents and Carers,

Happy New Year to you all! We hope you had a pleasant Christmas and a good break. The end of last term was very busy but I would like to congratulate all of the children for their fabulous Christmas celebration productions. The quality of performance is improving year on year. During the assemblies this week, we talked about New Year resolutions and how important it is to celebrate our strengths and work on those areas we would like to improve. The children all thought about the things they are good at and the things they would like to get better at and are going to work on these. You'll be pleased to know that we had lots of: *'Helping to keep my bedroom tidy'*. So we'll see whether that particular resolution is kept.

We have a lot to cram into the next five weeks so keep checking the newsletter for updates.

One of the events that we will be having shortly is our 100th day in school this year. The children have been doing activities related to the 100 days as quick daily maths activities. The date for our celebration is **Friday 13th February**.

### WLPS Charity work

Over the past year or two we have been raising money for Cancer Research. I am delighted to inform you that we are within the top 5% of the UK for our fundraising work. This is a wonderful piece of news and congratulations to you all for your support. Our special thanks to Miss Wise who has ensured that the whole school has joined in with all our fundraising activities and has led by example.

### NOTICES

- The new clubs will be starting either next week or the week after. A list of clubs can be found on our website.
- **Cross Country** will start this Monday and **crochet club** will also start next week.
- **Football club & Netball club** will be starting in February weather permitting. Start dates will be put on the newsletter nearer the time.

### REMINDERS

Can you please check your child's coats/bags/jumpers etc to make sure they are all labelled (in several places) so that we can match them up with the owners before the end of each day.

Can I also remind parents to make sure the PE kits and water bottles are also in for next week please. Also, your child does need an apron (old dad shirt) for the art and craft lessons they have.

#### Top tip

When listening to your child read; why not try alternating the amount they read between the two of you? By doing this, the child will benefit from having reading modelled by an experienced reader which will help them to improve their fluency and expression. Give it a try.
