# The Woodham Ley News

## Trip to the Globe Theatre

After meeting The Witches and Macbeth himself last week, Year 3 and 4 continued their learning experience with a fabulous trip to The Globe Theatre in London. We had the chance to see this amazing landmark as well as a chance to learn all about its history, take part in drama activities and even walk out onto the stage itself! We had a wonderful time and have been using what we learnt to help us in class. All hail Macbeth, that shalt be king hereafter!

## Football Match Vs. Briscoe School

On Tuesday, the school football team played Briscoe Primary School. We played brilliantly and won the match 3-0. Everybody worked very hard and gave 100%. Luke scored a penalty and Jake C scored two goals. Not only were there some fantastic goals but Charlie managed to save a penalty with a heroic dive. A big well done to everyone and we look forward to seeing you all at football club on Wednesday at lunchtime!

## Not one Netball Match but two!

The first match that the Netball team were involved in was against South Benfleet school last week. The match was very tight and could have gone either way and the end result was a draw, 6-6. Scorers were Gemma C, Darcey L, Chinnedom C and Joshua M. The second match was against Winter Gardens. The score this time was 13-0 to us. The scorers were Jake A, Charlie B and Tomi I. Well done to all of the children who played in the matches—the training is paying off.

## Cross Country Competition

On Wednesday over 50 children travelled to Thundersley school to take part in the annual Robus Cross Country competition. This was a really well-organised event and all of the children competed brilliantly. The results haven't come through yet but I will notify you when they do. Well done to all that took part.

## Year 2 Sports Hall Athletics

On Tuesday, the children in Year 2 competed against other schools in the local area in an athletics event. The children competed in various track and field events. The children competed well and represented WLPS beautifully. Their behaviour was exceptional.

## Family Fit Club

Last week saw the start of our new club open free of charge to families. Two families attended alongside myself and Miss Soundy. We were certainly put through our paces by Ryan and had an excellent hour's workout. Our faces went through various shades of red but we were smiling throughout. It was a very enjoyable session and it was lovely to see families being able to exercise together in a friendly and supportive group environment. For those who didn't see the information, it is a FREE session open to families between 5pm and 6pm on Friday evenings (not tonight due to the disco). We are expecting more people next week so it would be helpful if you could notify the school office if you would like to attend.

## Gingerbread Charity

Yesterday, I was lucky to meet a person who works for a charity that goes by the name of Gingerbread. Gingerbread is a truly amazing charity and is one which proactively supports single parents to get back into the workplace. Any barrier you may have which prevents you from applying for a job, they will remove—I was both amazed and in awe of what they are able to do. If you are a single parent in a position where you are looking to get back into the workplace but don't know what to do or feel that you can't for any reason then please get in touch with the main office for further details.

## Attendance League

Well done to  
Turner class for  
winning the  
attendance cup for  
this week.

## Weekly results

Class	Result	League points
Turner	99.31%	7
Picasso	97.00%	4
Matisse	95.48%	0
