7th February 2014

Dear parents/carers

As part of our review of the gifted and talented register at school, we would like to update our records of children that participate in clubs and associations outside of the school day. This will enable us to identify sport/extra curricula ambassadors who can promote their activity to other children within the school.

I would therefore be grateful if you could complete and return the information slip below and return it to the school office. An electronic version of this form is also available on the school website if you would prefer to send the information in this way.

Thank you for your assistance.

Yours sincerely

S Tyler
