Thundersley primary School Swimming lessons survey

At Thundersley, we are hoping to develop our swimming pool so that BATIC schools can use it to provide their children with affordable lessons and so that a swim school could provide lessons in the evenings, at weekends and during the holidays. We would also be open to hiring the pool out for other events such as parties, adult aerobics etc. We are putting together a bid to apply for funding and would be grateful if you would take a few moments to complete this survey to help us gain evidence of community need in the area.

Which school do your children attend?

No. of children in family?

Age of children?

Do your children currently have swimming lessons? Where do you attend?

Do you require swimming lessons?

If you do not currently take your child to swimming lessons, what is the reason for this – cost, travel etc?

If there was a swim school at Thundersley primary school, would you consider taking your children there?

YES NO

Any comments about the availability of swimming in the area/ ideas for events if a local pool were available for hire?

Thank you.
